BERKSHIRE MOUNTAIN DISTILLERS

*Great Barrington, Mass.
Established: 2007*

The region's first distillery since Prohibition produces vodka, whiskey, a rum that tastes like it's from the tropics and two out-of-this world gins. If you're already a fan of the juniper-y spirit, go for the floral **Ethereal Gin** which, thanks to the 14 botanicals it's crafted with, makes for a truly distinctive martini. 43% ABV, \$35
