

About

Established in 2007, Berkshire Mountain Distillers has created a line of award-winning artisanal spirits which include Greylock Gin, Ethereal Gins, Ragged Mountain Rum, Ice Glen Vodka, Berkshire Bourbon and New England Corn Whiskey. All products are handcrafted in small batches at the Berkshire's first legal distillery since prohibition. Located in Great Barrington, Massachusetts, the farm and distillery are home to historic spring waters that flow from deep within a protected granite mountain bordering the Appalachian Trail. We use these waters through all stages of production for our fine spirits. As supporters of local agriculture and business, Berkshire Mountain Distillers uses regional materials in many of our products, creating a truly authentic artisanal brand.

Production

Berkshire Mountain Distillers' Greylock Gin is handcrafted in small batches. Our proprietary blend of 7 botanicals, packed in to a gin head suspended over a pot still, infuses the distillate with its unique essence. We use this time honored and labor intensive method to bring you a London dry style gin of exceptional quality. 40% ABV, 750ml.
