

RACE BROOK RYE

About

Established in 2007, Berkshire Mountain Distillers has created a line of award-winning artisanal spirits which include Greylock Gin, Ethereal Gins, Ragged Mountain Rum, Ice Glen Vodka, Berkshire Bourbon and New England Corn Whiskey. All products are handcrafted in small batches at the Berkshire's first legal distillery since prohibition. Located in Sheffield, Massachusetts, the farm and distillery are home to historic spring waters that flow from deep within a protected granite mountain bordering the Appalachian Trail. We use these waters through all stages of production for our fine spirits. As supporters of local agriculture and business, Berkshire Mountain Distillers uses regional materials in many of our products, creating a truly authentic artisanal brand.

Production

Berkshire Mountain Distillers' Race Brook Rye is handcrafted in small batches using local rye sourced from a farmer just miles from the distillery. After meticulous fermentation and distillation, only the finest cut of spirit is selected to be aged in virgin American white oak barrels. 43% ABV, 750ml only

Tasting Notes

After patiently waiting for four years in a barrel, this high rye mash bill whiskey is happy to have been set free. Notes of toffee and baking spice are complimented by a lingering background of oak. In traditional Berkshire Mountain Distillers fashion this is a very clean whiskey, the rye spiciness is of course present yet not offensively so. Unfortunately this will be a limited release, grab a bottle to enjoy while you can.
