

OKTOBERFEST AMERICAN WHISKEY

About

Established in 2007, Berkshire Mountain Distillers has created a line of award-winning artisanal spirits which include Greylock Gin, Ethereal Gins, Ragged Mountain Rum, Ice Glen Vodka, Berkshire Bourbon and New England Corn Whiskey. All products are handcrafted in small batches at the Berkshire's first legal distillery since prohibition. Located in Sheffield, Massachusetts, the farm and distillery are home to historic spring waters that flow from deep within a protected granite mountain bordering the Appalachian Trail. We use these waters through all stages of production for our fine spirits. As supporters of local agriculture and business, Berkshire Mountain Distillers uses regional materials in many of our products, creating a truly authentic artisanal brand.

Production

This Oktoberfest American Whiskey was triple distilled from Berkshire Brewing Company's Oktoberfest beer. It was then aged for ten years in virgin American white oak barrels of varying char. 43% ABV, 750ml only

Tasting Notes

This whiskey was distilled from Berkshire Brewing Company's Oktoberfest beer, at ten years in the barrel it is the oldest whiskey that we have released and as it turns out, age does matter.

Mellowed by oak, this whiskey is rich with notes of roasted malt and butterscotch. It is wildly aromatic with just enough lingering hops in the background to add some extra flair without being distracting.

As with many of our projects, this is of very limited availability, sorry.
