

## Hand Sanitizer Statement

Berkshire Mountain Distillers has always valued our community and the importance of locally-driven efforts. In response to the Corona Virus Pandemic, Berkshire Mountain Distillers is doing what we can to respond to this crisis.

Due to recent emergency changes in federal law Team BMD is now legally allowed to make hand sanitizer, which we will make available to the community as long as we are able to keep up with demand.

We are using a (75%-85%) ethanol blend with Vegetable Glycerin and Hydrogen Peroxide for our hand sanitizer formula as authorized by the [TTB](#) and consistent with the [World Health Organization](#) guidelines.

\*Packaged in 5oz labeled glass bottles & 32oz containers.

\*Price is **\$6.00 per 5 oz bottle & \$30 per 32oz container.**

\*Understand that this is for topical use only.

**\*We are not shipping at this time.**

\*Know that availability of sanitizer is not guaranteed and we will be diligent in keeping you up to date on our website, FB, and IG platforms.

*Protect our staff and yourselves, we ask that if you are experiencing any symptoms at all that you do not visit the tasting room.*

These are trying times for us all, please be thoughtful of your community, especially our small businesses and those in need. We are donating to those putting themselves in the frontline. Keeping BMD viable and staffed so we can produce more hand sanitizer is dependent on us charging for hand sanitizer, we thank you for understanding.

Warm regards- Team BMD
